

I am very obliged for giving me this opportunity to express my statement of purpose to peruse Business Administration in International Trading at XXXXX College in Canada. I am diligent, optimistic and a keen learner who has the ambition to achieve high in life. Today's era is for startup proprietors. A number of graduate have started their own business to fulfill their dream. I am also one of them to start my own entrepreneurship. The filed is well composed with business management strategy as well as business leadership. In graduation program I will study analytical techniques, skills, theory and knowledge relevant to a business degree. Business management is a dynamic and innovative program; it will give me insight to learn theoretical and practical phenomenon of past, current and future business issues.

Canada has become one of the top International Student destinations to pursue their higher education. A Canadian degree, diploma, or certificate is well-regarded in business, government, and academic circles around the globe. Universities in Canada have a long history and status in terms of curriculum programs and high rates of employability. English is an official communication language in Canada unlike other European countries so it become easy for international students to communicate. The Country is considered to be a relatively peaceful, safe, and orderly country and also the cost of living is affordable and also has an extensive healthcare system and social security network. In this vibrant setting, different perspectives are respected, and learning together is encouraged.

According to me, I foresee excellent growth and the rise of ample opportunity in this field. A graduation degree would be a stepping stone towards my long-term goal to work with my brother and establish a business where I can use my skills and expertise and work for the betterment of my family as well as for my society.

The business Administration in International Trading diploma program is approved as a vocational program under the Private career colleges Act 2005. The college gives flexibility to their students during the course time to attain their classes. The college professor as well as other supporting staff is very friendly and supportive of their international students. During my association with Evergreen College, I will get exposure to study at international level which will definitely sharpen my business, data analytical, accounting skills and put me on a global map. After my graduation, I can have a career in different fields like start-ups, large corporations, and many more.
